In order to further rationalize the provisions relating to start-ups, Section 80-IAC of the Act amended so as to provide the deduction for a period of 3 consecutive AYs out of **ten years** beginning from the year in which it is incorporated, if the total turnover of its business does not exceed **one hundred crore** rupees in any of the previous years beginning from the year in which it is incorporated.

6. Modification in the conditions for offshore funds' exemption from "business connection" [Clause 6]

Amendment in Section 9A of the Income-tax Act, w.e.f. 01.04.2020 [Clause 6]

"In section 9A of the Income-tax Act, in sub-section (3),--

(b) ***In clause (j)***

"(j) the monthly average of the corpus of the fund shall not be less than one hundred crore rupees:

Provided that if the fund has been established or incorporated in the previous year, the corpus of fund shall not be less than one hundred crore rupees ***[at the end of a period of*** ~~***six months from the the last day of the month of its***~~

Contd....

Brief Impact:

According to an existing condition for eligibility, the period for fulfilling the requirement of monthly average of the corpus of one hundred crore rupees ranges from six months to eighteen months, in so far as the fund established or incorporated on last day of the financial year would get six months and the fund established or incorporated on first day of the financial year would get eighteen months. It has been stated that this results in anomaly as certain funds due to its date of establishment and incorporation get favored.

Accordingly, it is proposed to amend section 9A of the Act to relax these two conditions so as to provide that-

(i) for the purpose of calculation of the aggregate participation or investment in the fund, directly or indirectly, by Indian resident, contribution of the eligible fund manager during first three years up to twenty-five crore rupees shall not be accounted for; and

Contd....

- *After clause (c), the following Explanation shall be inserted, namely:--*

Accordingly, it is proposed to explain that, for the purposes of this section, manufacturing or production of an article or thing shall include generation of electricity.

As per the definition of AE in Section 92A, two enterprises will be deemed to be AE if during the PY a loan is advanced by one enterprise to the other enterprise is 50% or more of the book value of the total assets of the other enterprise.

Thus, the interest paid or payable in respect of loan from the branch of a foreign bank was attracting provisions of interest limitation in this section.

Brief Impact:

For Section 56(2)(x):-

The provision provides that if any person receives in any PY from any person(s) on or after 1/4/17, any immovable property, for a consideration which is less than SDV of the property by an amount exceeding fifty thousand rupees, the SDV of such property as exceeding such consideration shall be charged to tax u/h income from other sources.

Insertion in Sub-section (4)-

"(4) No deduction in respect of the expenditure referred to in sub-section (1) shall be allowed to the assessee under any other section in any previous year or under this section in any other previous year, ***if the deduction has been claimed or opted by the assessee and allowed to him under this Section."***

Brief Impact:

As per Sub-section (1) of Section 35AD a deduction of 100% of the capital expenditure is allowable during the PY in which the expenditure on specified business has been incurred. Further, Sub-section (4) provides that no deduction is allowable under any other Section in respect to the above expenditure.

Therefore, in the existing situation assessee does not have any option of not availing the incentive under said section. This has not been the intention of the statute. Hence, the amendment in sub-section (1) & (4) to the section made claiming of the **deduction optional** as per the will of the assessee.

4. Exempting non-resident from filing ITR in certain conditions (Clause 47)

- Substitution in Sub-section (5) Clause (a):-

(a) his or its total income in respect of which he or it is assessable under this Act during the previous year consisted only of income referred to in ~~***clause (a)***~~ ***clause (a) or clause (b)*** *of sub-section (1); and*

- Substitution of Sub-section (5) Clause (b):-

"*(B)* the tax deductible at source under the provisions of part B of chapter XVII has been deducted from such income and the rate of such deduction is not less than the rate specified under clause *(a)* or, as the case may be, clause *(b)* of sub-section *(1)*."

**Note: New words are introduced as given in bold*

Brief Impact:

Section 92CB: As per Explanation to the section 92CB of the Act the term "safe harbour" means circumstances in which the Income-tax Authority shall accept the transfer price declared by the assessee. At present, the Arms Length Price **(ALP)** determined u/s 92C or 92CA of the Act shall be subject to the safe harbor rules **(SHR)** made by CBDT u/s 92CB of the Act. This section was inserted in the Act by the Finance (No. 2) Act, 2009, w.r.e.f. 1-4-2009 to reduce the number of transfer pricing audits and prolonged disputes especially in case of relatively smaller assessees. Besides reduction of disputes, the SHR provides certainty as well. SHR provides tax certainty for relatively smaller cases for future years on general terms.

Section 92CC: This section empowers CBDT to enter into an advance price agreement **(APA)** with any person, determining the ALP or specifying the manner in which the ALP is to be determined, in relation to an international transaction to be entered into by that person. APA provides tax certainty in determination of ALP for **five future years** as well as for **four earlier years (Rollback)**

Contd....

Brief Impact:

Currently, there are numbers cases where disputes are related to attribution of profits to the PE of a non-resident under clause (i) of sub-section (1) of section 9 of the Act. To reduce the number of disputes that are related to attribution of profits to the PE of a non-resident the attribution of income in case of a non-resident person to the PE, should also be covered under the provisions of the SHR and the APA.

In view of the above, the provisions of section 92CB and section 92CC of the Act are amended to cover determination of attribution to PE within the scope of SHR and APA.

2. Allowing deduction for amount disallowed under section 43B, to insurance companies on payment basis.

[Clause-104]

- **Amended Rule 5 of the First Schedule to the Income-tax Act, [Clause 43]**
- Insertion of proviso after clause (C) of the rule 5 of the First Schedule to the Act :-

"Provided that any sum payable by the assessee under section 43B, which is added back in accordance with clause (a) of this rule, shall be allowed as deduction in computing the income under the said rule in the previous year in which such sum is actually paid."

***Note:** *New proviso inserted as given in bold.*

Brief Impact:

As per section 43B of the Act, certain expenditure incurred by the assessee are only allowed as deduction on actual payment of such expenditure irrespective of accounting method followed by the assessee.

As per rule 5 of First Schedule to the Act, while computing the profits and gains from business for insurance companies other than life insurance, any expenditure debited to the profit and loss account which is not admissible under the provisions of sections 30 to 43B shall be added back; any gain or loss on realisation of investment shall be added or deducted, as the case may be, if the same is not credited or debited to the profit and loss account. Thus there was no provision in Rule 5 to allow the deduction of the expenditure which was earlier disallowed u/s 43B and subsequently paid by assessee.

Therefore, a proviso is inserted in Rule 5 to provide that any sum payable by the assessee which is added back under section 43B in accordance with clause (a) of the said rule shall be allowed as deduction in computing the income under the rule in the previous year in which such sum is actually paid.

3. Reducing the rate of TDS on fees for technical services (other than professional services). [Clause-79]

  In section 194J of the Income-tax Act, in sub-section (1),--

  In the long line, for the words "ten per cent. of such sum", the words and brackets ***"two per cent. of such sum in case of fees for technical services (not being a professional service) and ten per cent. of such sum in other cases,"*** *shall be substituted*

- **Amended section 194J of the Income-tax Act, in second proviso w.e.f. 01/04/2020 [Clause 44]**

  In the second proviso, for the words, brackets, letters and figures "the monetary limits specified under clause (a) or clause (b) of section 44AB", the words ***"one crore rupees in case of business or fifty lakh rupees in case of profession"*** *shall be substituted.*

**Note: New words inserted as given in bold in section 194J*

Brief Impact:

At present, section 194J provides that any person other then individual or a HUF paying any sum to resident by way of fee for professional service, fee for technical service, any remuneration or fee or commission, royalty and any sum referred to in clause (va) of section 28 Shall deduct an amount equal to 10% as Income Tax.

There are large number of litigations on the issue of short deduction of tax treating assessee in default where the assessee deducts tax under section 194C, while the tax officers claim that tax should have been deducted under section 194J of the Act.

To reduce such litigation, TDS rate of 10% is reduce to 2% in case of fees for technical services (other than professional services). Now the TDS rate u/s 194J is as under

Brief Impact:

Now after the amendment in section 194J, TDS rates are as under:

S. No	Nature of Payment	Rate of TDS
1.	Fee for Professional Service	10%
2.	Fee for Technical Service	2%
3.	Any Remuneration or Fee or Commission	10%
4.	Royalty	10%

"*(ii)* any non-resident not being a company, or any foreign company.".

Brief Impact:

Section 144C of the Act provides that in case of certain eligible assessees, viz., foreign companies and any person in whose case transfer pricing adjustments have been made under sub-section (3) of section 92CA of the Act, AO is required to forward a draft assessment order to the eligible assessee, if he proposes to make any variation in the income or loss returned which is prejudicial to the interest of such assessee. Such eligible assessee with respect to such variation may file his objection to the DRP.

It is proposed that the provisions of section 144C of the Act may be suitably amended to:-

include cases, where the AO proposes to make any variation which is prejudicial to the interest of the assessee, within the ambit of section 144C;

expand the scope of the said section by defining eligible assessee as a non-resident not being a company, or a foreign company.

This amendment will take effect from 1st April, 2020.

3. Provision for e-Appeal

[Clause 95]

In section 250 of the Income-tax Act, after sub-section *(6A)*, the following

sub-sections **shall be inserted**, namely:—

"*(6B)* The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of disposal of appeal by Commissioner (Appeals), so as to impart greater efficiency, transparency and accountability by—

(cc) eliminating the interface between the Commissioner (Appeals) and the appellant in the course of appellate proceedings to the extent technologically feasible;

(dd)optimising utilisation of the resources through economies of scale and functional specialisation;

3. Provision for e-Appeal

Contd..

(ee)introducing an appellate system with dynamic jurisdiction in which appeal 5 shall be disposed of by one or more Commissioner (Appeals).

(6C) The Central Government may, for the purposes of giving effect to the scheme made under sub-section *(6B)*, by notification in the Official Gazette, direct that any of the provisions of this Act relating to jurisdiction and procedure for disposal of appeals by Commissioner (Appeals) shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification:

Provided that no direction shall be issued after the 31st day of March, 2022.

(6A) Every notification issued under sub-section (6B) and sub-section (6C) shall, as soon as may be after the notification is issued, be laid before each House of Parliament."

Brief Impact:

The filing of appeals before Commissioner (Appeals) has already been enabled in an electronic mode. **However, the process that follows after filing of appeal is neither electronic nor faceless. It is imperative that an e-appeal scheme be launched on the lines of e-assessment scheme.**

Accordingly, it is proposed to insert sub-section (6A) in section 250 of the Act to provide for the following: –

1. Empowering Central Government to notify an e-appeal scheme for disposal of appeal so as to impart greater efficiency, transparency and accountability.
2. Eliminating the interface between the Commissioner (Appeals) and the appellant in the course of appellate proceedings to the extent technologically feasible.
3. Optimizing utilization of the resources through economies of scale and functional specialisation.
4. Introducing an appellate system with dynamic jurisdiction in which appeal shall be disposed of by one or more Commissioner (Appeals).

This amendment will take effect from 1st April, 2020.

4. Providing check on survey operations under S 133A of the Act [Clause 65]

In section 133A of the Income-tax Act, after sub-section *(6)*, for the proviso, the following proviso shall be substituted, namely:—

"Provided that-

(aa) in a case where the information has been received from such authority, as may be prescribed, no action under sub-section (1) shall be taken by an Assistant Director or a Deputy Director or an Assessing Officer or a Tax Recovery Officer or an Inspector of Income-tax without obtaining the approval of the Joint Director or the Joint Commissioner, as the case may be;

(bb) in any other case, no action under sub-section (1) shall be taken by Joint Director or a Joint Commissioner or an Assistant Director or a Deputy Director or an Assessing Officer or a Tax Recovery Officer or an Inspector of Income-tax without obtaining the approval of the Director or the Commissioner, as the case may be.".

Brief Impact:

Under the existing provisions of section 133A of the Act, an income-tax authority is empowered to conduct survey at the business premises of the. To prevent the possible misuse of such powers, vide Finance Act 2003, a proviso to sub-section (6) in the said section was inserted. It is proposed to substitute the proviso to sub-section (6) of section 133A to provide that,-

in a case where the information has been received from the prescribed authority, no income-tax authority below the rank of Joint Director or Joint Commissioner, shall conduct any survey under the said section without prior approval of the Joint Director or the Joint Commissioner, as the case may be; and

in any other case, no income-tax authority below the rank of Commissioner or Director, shall conduct any survey under the said section without prior approval of the Commissioner or the Director, as the case may be.

This amendment will take effect from 1st April, 2020.

5. Clarity on stay by the Income Tax Appellate Tribunal (ITAT) [Clause 97]

In section 254 of the Income-tax Act, in sub-section *(2A)*,—
"subject to the condition that the assessee deposits not less than twenty per cent of:

nn) in the first proviso, after the words "from the date of such order", the words **"the amount of tax, interest, fee, penalty, or any other sum payable under the provisions of this Act, or furnishes security of equal amount in respect thereof" shall be inserted;**

oo) for the second proviso, the following proviso shall be substituted, namely:--

Clarity on stay by the Income Tax Appellate Tribunal (ITAT) [Contd....]

"Provided further that no extension of stay shall be granted by the Appellate Tribunal, where such appeal is not so disposed of within the said period of stay as 30 specified in the order of stay, unless the assessee makes an application and has complied with the condition referred to in the first proviso and the Appellate Tribunal is satisfied that the delay in disposing of the appeal is not attributable to the assessee, so however, that the aggregate of the period of stay originally allowed and the period of stay so extended shall not exceed three hundred and sixty-five days and the Appellate Tribunal shall dispose of the appeal within the period or periods of stay so extended or allowed:".

Brief Impact:

It is proposed to provide that **ITAT may grant stay under the first proviso subject to the condition that the assessee deposits not less than twenty per cent of the amount of tax, interest, fee, penalty, or any other sum payable under the provisions of this Act, or furnish security of equal amount in respect thereof.**

It is also proposed to **substitute second proviso to provide that no extension of stay shall be granted by ITAT, where such appeal is not so disposed of which the said period of stay as specified in the order of stay.** However, on an application made by the assessee, a further stay can be granted, if the delay in not disposing of the appeal is not attributable to the assessee and the assessee has deposited not less than twenty per cent of the amount of tax, interest, fee, penalty, or any other sum payable under the provisions of this Act, or furnish security of equal amount in respect thereof. The total stay granted by ITAT cannot exceed 365 days.

This amendment will take effect from 1st April, 2020.

6. Provision for e-penalty

[Clause 100]

In section 274 of the Income-tax Act, after sub-section *(2)*, **the following sub-sections shall be inserted, namely:—**

"(2A) The Central Government may make a scheme, by notification in the Official Gazette, for the purposes of imposing penalty under this Chapter so as to impart greater efficiency, transparency and accountability by—

k) eliminating the interface between the Assessing Officer and the assessee in the course of proceedings to the extent technologically feasible;

l) optimising utilisation of the resources through economies of scale and functional specialisation;

m) introducing a mechanism for imposing of penalty with dynamic

6. Provision for e-penalty

Contd....

(2B) The Central Government may, for the purposes of giving effect to the scheme made under sub-section *(2A)*, by notification in the Official Gazette, direct that any of the provisions of this Act relating to jurisdiction and procedure for imposing penalty shall not apply or shall apply with such exceptions, modifications and adaptations as may be specified in the notification:

Provided that no direction shall be issued after the 31st day of March, 2022.

(2A) Every notification issued under sub-section *(2A)* and sub-section *(2B)* shall, as soon as may be after the notification is issued, be laid before each House of Parliament.".

Contd....

Brief Impact:

With the advent of the E-Assessment Scheme-2019 and in order to ensure that the reforms initiated by the Department to eliminate human interface from the system reaches the next level, it is imperative that an e-penalty scheme be launched on the lines of E-assessment Scheme-2019.

Therefore, it is proposed to insert a new sub-section (2A) in the said section so as to provide that the Central Government may notify an e-scheme for the purposes of imposing penalty so as to impart greater efficiency, transparency and accountability.

This amendment will take effect from 1st April, 2020.

7. Insertion of Taxpayer's Charter in the Act [Clause 64]

After section 119 of the Income-tax Act, the following section shall be inserted, namely:--

"Section 119A - The Board shall adopt and declare a Taxpayer's Charter and issue such orders, instructions, directions or guidelines to other income-tax authorities as it may deem fit for the administration of such Charter.".

Contd....

Brief Impact:

It is proposed to insert a new section 119A in the Act to empower the Board to adopt and declare a Taxpayer's Charter and issue such orders, instructions, directions or guidelines to other income-tax authorities as it may deem fit for the administration of Charter.

This amendment will take effect from 1st April, 2020.

3.	Penalty for fake invoice	271AAD	98	01.04.2020

1. Modification of Residency Provisions [Clause 4]

In section 6 of the Income-tax Act, with effect from the 1st day of April, 2021,--

g) in clause *(1)*, in *Explanation* 1, in clause *(b)*, for the words "one hundred and eighty-two days", **the words "one hundred and twenty days" shall be substituted;**

h) after clause *(1)*, the **following clause shall be inserted, namely:--**

"*(1A)* Notwithstanding anything contained in clause *(1)*, an individual, being a citizen of India, shall be deemed to be resident in India in any previous year, if he is not liable to tax in any other country or territory by reason of his domicile or residence or any other criteria of similar nature.";

i) for clause *(6)*, the **following clause shall be substituted, namely:--**

'*(6)* A person is said to be "not ordinarily resident" in India in any previous year, if such person is—

j) an individual who has been a non-resident in India in seven out of the ten previous years preceding that year; or

k) a Hindu undivided family whose manager has been a non-resident in India in seven out of the ten previous years preceding that year.

Brief Impact:

Instances have come to notice where period of 182 days specified in respect of an Indian citizen or person of Indian origin visiting India during the year, is being misused. Individuals, who are actually carrying out substantial economic activities from India, manage their period of stay in India, so as to remain a non-resident in perpetuity and not be required to declare their global income in India.

The issue of stateless persons has been bothering the tax world for quite some time. **It is entirely possible for an individual to arrange his affairs in such a fashion that he is not liable to tax in any country or jurisdiction during a year. This arrangement is typically employed by high net worth individuals (HNWI) to avoid paying taxes to any country/ jurisdiction on income they earn. Tax laws should not encourage a situation where a person is not liable to tax in any country. The current rules governing tax residence make it possible for HNWIs and other individuals, who may be Indian citizen to not to be liable for tax anywhere in the world.**

Contd....

Brief Impact:

Such a circumstance is certainly not desirable; particularly in the light of current development in the global tax environment where avenues for double non-taxation are being systematically closed.

In the light of above, the said amendments are proposed.
This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.

2. Amending definition of 'work' in section 194C of the Act [Clause 76]

In section 194C of the Income-tax Act, in the *Explanation*,–

V) in clause *(i)*, in sub-clause *(I)*, in item *(B)*, for the words, brackets, letters and figures "is liable to audit of accounts under clause *(a)* or clause *(b)* of section 44AB", **the words "has total sales, gross receipts or turnover from business or profession carried on by him exceeding one crore rupees in case of business or fifty lakh rupees in case of profession" shall be substituted;**

VI) in clause *(iv)*,-- *(i)* for sub-clause *(e)*, **the following sub-clause shall be substituted, namely:--**

"*(e)* manufacturing or supplying a product according to the requirement or specification of a customer by using material purchased from such customer or its associate, being a person placed similarly in relation to such customer as is the person placed in relation to the assessee under the provisions contained in clause *(b)* of sub-section *(2)* of section 40A,";

(ii) in the long line, after the words "other than such customer", **the words "or associate of such customer" shall be inserted.**

Contd....

Brief Impact:

It has been noted that some assessees are using the escape clause of Section 194C (deduction of tax on payments made to contractors) by getting the contract manufacturer to procure the raw material supplied through its related parties. As a result, a substantial amount of income escapes the tax net.

Therefore, to bring clarity in the section and plug the leakage, **it is proposed to amend the definition of "work" under section 194C to provide that in a contract manufacturing, the raw material provided by the assessee or its associate shall fall within the purview of the 'work' under section 194C. Associate is proposed to be defined to mean a person who is placed similarly in relation to the customer as is the person placed in relation to the assessee under the provisions contained in clause (b) of sub-section (2) of section 40A of the Act.**

3. Penalty for fake invoice [Clause 98]

After section 271AAC of the Income-tax Act, **the following section shall be inserted, namely:—**

'271AAD. *(1)* Without prejudice to any other provisions of this Act, if during any proceeding under this Act, it is found that in the books of account maintained by any person there is—

xiii) a false entry; or

xiv) an omission of any entry which is relevant for computation of total income of such person, to evade tax liability,

the Assessing Officer may direct that such person shall pay by way of penalty a sum equal to the aggregate amount of such false or omitted entry.

Penalty for fake invoice [Contd...]

(2) Without prejudice to the provisions of sub-section *(1)*, the Assessing Officer may direct that any other person, who causes the person referred to in sub-section *(1)* in any manner to make a false entry or omits or causes to omit any entry referred to in that sub-section, shall pay by way of penalty a sum equal to the aggregate amount of such false or omitted entry.

Explanation.––For the purposes of this section, "false entry" includes use or intention to use––

(a) forged or falsified documents such as a false invoice or, in general, a false

piece of documentary evidence; or

(b) invoice in respect of supply or receipt of goods or services or both issued by the person or any other person without actual supply or receipt of such goods or services or both; or

(c) invoice in respect of supply or receipt of goods or services or both to

Brief Impact:

In the recent past after the launch of Goods & Services Tax (GST), **several cases of fraudulent input tax credit (ITC) claim have been caught by the GST authorities. In these cases, fake invoices are obtained by suppliers registered under GST to fraudulently claim ITC and reduce their GST liability.** These invoices are found to be issued by racketeers who do not actually carry on any business or profession. They only issue invoices without actually supplying any goods or services. **The GST shown to have been charged on such invoices is neither paid nor is intended to be paid. Such fraudulent arrangements deserve to be dealt with harsher provisions under the Act.**

Therefore, it is proposed to introduce a new provision in the Act to provide for a levy of penalty.

This amendment will take effect from 1st April, 2020.

1. Aligning purpose of entering into Double Taxation Avoidance Agreements (DTAA) with Multilateral Instrument (MLI) *[Clause 41 & 42]*

Amendment of Section 90 w.e.f. 1st day of April, 2021

In section 90 of the Income-tax Act, in sub-section (1), in clause (b), after the words "as the case may be,", the words and brackets "*without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in the said agreement 10 for the indirect benefit to residents of any other country or territory),*" [Clause 41]

Amendment of Section 90A w.e.f. 1st day of April, 2021

In section 90A of the Income-tax Act, in sub-section (1), in clause (b), after the words "specified territory outside India,", the words and brackets *"without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in the said agreement for the indirect benefit to residents of any other country or territory)*" [Clause 42]

Contd....

Brief Impact:

- Section 90 of the Act empowers the Central Government to enter into agreement with foreign countries or specified territories (commonly known as DTAAs) and Section 90A of the Act contains provision similar to section 90 of the Act so as to empower the Central Government to adopt and implement an agreement between a specified association in India and any specified association in specified territory outside India, for **granting relief, avoidance of double taxation, exchange of information and recovery of income-tax.**

- India has signed the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting (commonly referred to as MLI) along with representatives of many countries, which has since been ratified. India has since deposited the Instrument of Ratification to OECD, Paris along with its Final Position in terms of Covered Tax Agreements (CTAs), Reservations, Options and Notifications under the MLI, as a result of which MLI has entered into

Contd....

- The MLI is an outcome of the G20-OECD project to tackle Base Erosion and Profit Shifting (the BEPS Project), i.e. tax planning strategies that exploit gaps and mismatches in tax rules to artificially shift profits to low or no-tax locations where there is little or no economic activity, resulting in little or no overall corporate tax being paid. The MLI will modify India's DTAAs to curb revenue loss through treaty abuse and base erosion and profit shifting strategies by ensuring that profits are taxed where substantive economic activities generating the profits are carried out. The MLI will be applied alongside existing DTAAs, modifying their application in order to implement the BEPS measures.

- Article 6 of MLI provides for modification of the Covered Tax Agreement to include the following preamble text:

  "Intending to eliminate double taxation with respect to the taxes covered by this agreement without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this agreement for the indirect benefit of residents of third jurisdictions),"

- In order to achieve the above, clause (b) of sub-section (1) of section 90 of the Act which provides for providing relief in respect of avoidance of double taxation of income under the laws of both country or territory (India and the other foreign country of territory) is required to contain the text provided for in MLI as mentioned

Contd....

- Therefore, it is proposed to amend clause (b) of sub-section (1) of section 90 of the Act so as to provide that the Central Government may enter into an agreement with the Government of any country outside India or specified territory outside India for, inter alia, the avoidance of double taxation of income under the Act and under the corresponding law in force in that country or specified territory, as the case may be, without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this agreement for the indirect benefit of residents of any other country or territory).

- It is also proposed to make similar amendment in clause (b) of sub-section (1) of section 90A of the Act. **These amendments will take effect from 1st April, 2021 i.e. A.Y. 2021-22 onwards.**

2. Deferring Significant Economic Presence (SEP) proposal, Extending source rule, Aligning exemption from taxability of Foreign Portfolio Investors (FPIs), on account of indirect transfer of assets, with amended scheme of SEBI, and rationalising the definition of royalty. *[Clause 5 & 103]*

Amendment in section 9 of the Income-tax Act, in sub-section *(1)*,in clause *(i)*,--

(i) **in *Explanation* 1, in clause (*a*),** for the words "in the case of a business", the words "*in the case of a business, other than the business having business connection in India on account of significant economic presence*," shall be substituted with effect from the 1st day of April, 2022;

***(ii)* *Explanation* 2A shall be omitted w.e.f. 01.04.2021 and the following *Explanation* shall be inserted w.e.f. 01.04.2022,** namely:--

'*Explanation* 2A.—For the removal of doubts, it is hereby declared that the significant economic presence of a non-resident in India shall constitute "business connection" in India and "significant economic presence" for this purpose, shall mean—

(a) transaction in respect of any goods, services or property carried out by a non-resident with any person in India including provision of download of data or software in India, if the aggregate of payments arising from such transaction or transactions

Contd....

(b) systematic and continuous soliciting of business activities or engaging in interaction with such number of users in India, as may be prescribed:

Provided that the transactions or activities shall constitute significant economic presence in India, whether or not—

(i) the agreement for such transactions or activities is entered in India; or

(ii) the non-resident has a residence or place of business in India; or

(iii) the non-resident renders services in India:

Provided further that only so much of income as is attributable to the transactions or activities referred to in clause (a) or clause (b) shall be deemed to

Brief Impact:

Section 9 of the Act contains provisions in respect of income which are deemed to accrue or arise in India. Sub-section (1) thereof creates a legal fiction that certain incomes shall be deemed to accrue or arise in India. Clause (i) of sub-section (1) deems the following income to accrue or arise in India:

"all income accruing or arising, whether directly or indirectly, through or from any business connection in India, or through or from any property in

Contd....

- Finance Act, 2018, *inter alia*, inserted Explanation 2A to said clause so as to clarify that the "significant economic presence" (SEP) of a non-resident in India shall constitute "business connection" in India and SEP for this purpose and said Explanation further provided that the transactions or activities shall constitute significant economic presence in India, whether or not, the agreement for such transactions or activities is entered in India; or the non-resident has a residence or place of business in India; or the non-resident renders services in India.
- Therefore, for the purposes of determining SEP of a non-resident in India, threshold for the aggregate amount of payments arising from the specified transactions and for the number of users were required to be prescribed in the Rules. However, since discussion on this issue is still going on in G20-OECD BEPS project, these numbers have not been notified yet. G20-OECD report is expected by the end of December 2020. In the circumstances, it is proposed to defer the applicability of SEP to starting from assessment year 2022-23. Certain drafting changes have also been made while deferring the proposal.
- **The current SEP provisions shall be omitted from A.Y. 2021-22 and the new provisions will take effect from 1st April, 2022 and will, accordingly, apply in relation to A.Y. 2022-23 and onwards.**

Contd....

Amendment in section 9 of the Income-tax Act, in sub-section *(1)*,in clause *(i)*,--

(iii) after *Explanation* 3, the following *Explanation* shall be inserted w.e.f. 01.04.2021:-

"*Explanation 3A.--For the removal of doubts, it is hereby declared that the income attributable to the operations carried out in India, as referred to in Explanation 1, shall include income from--*

(i) such advertisement which targets a customer who resides in India or a customer who accesses the advertisement through internet protocol address located in India;

(ii) sale of data collected from a person who resides in India or from a person who uses internet protocol address located in India; and

(iii) sale of goods or services using data collected from a person who resides in India or from a person who uses internet protocol address located in India.";

(iv) after Explanation 3A as so inserted, the following proviso shall be inserted with effect from the 1st day of April, 2022, namely:--

"Provided that the provisions contained in this Explanation shall also apply to the income attributable to the transactions or activities referred to in Explanation 2A.";

Contd....

Brief Impact:

- In respect of international forum, the countries generally agree that income from advertisement that targets Indian customers or income from sale of data collected from India or income from sale of goods and services using such data collected from India, needs to be accounted for in Indian revenue. Hence, it is proposed to amend the source rule to clarify this position.

- This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years. However, for attribution of income related to SEP transaction or activities the amendment will take effect from 1st April, 2022 and will, accordingly, apply in relation to the assessment year 2022-23 and subsequent assessment years.

Contd....

Amendment in section 9 of the Income-tax Act, in sub-section *(1)*,in clause *(i)*,-- in Explanation 5,--

(I) in the second proviso, after the words, brackets and figures "Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2014", the words "prior to their repeal" shall be inserted;

(II) after the second proviso, the following proviso shall be inserted, namely:--

"Provided also that nothing contained in this Explanation shall apply to an asset or a capital asset, which is held by a non-resident by way of investment, directly or indirectly, in Category-I foreign portfolio investor under the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019, made under the Securities and Exchange Board of India

Brief Impact:

- The Finance Act, 2012, *inter alia*, had inserted Explanation 5 to said clause to clarify that an asset or capital asset being any share or interest in a company or entity registered or incorporated outside India shall be deemed to be and shall always be deemed to have been situated in India if the share or interest derives, directly or indirectly, its value substantially from the assets located in India.

Contd....

- Second proviso to said Explanation 5, inserted through the Finance Act, 2017, provides that the Explanation shall not apply to an asset or capital asset, which is held by a non-resident by way of investment, directly or indirectly, in Category-I or Category-II foreign portfolio investor under the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2014 [SEBI (FPI) Regulations, 2014]

- Vide Gazette Notification No. SEBI/LAD-NRO/GN/2019/36, SEBI has notified Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019 [SEBI (FPI) Regulations, 2019] and repealed the SEBI (FPI) Regulations, 2014. The difference between these two regulations pertinent in the present context is that the SEBI has done away with the broad basing criteria for the purposes of categorization of portfolios and has reduced the categories from three to two. In view of the same, necessary modification needs to be made in the proviso so inserted. Hence, it is proposed that the exception from said Explanation 5 provided to an asset or a capital asset, held by a non-resident by way of investment in erstwhile Category I and II FPIs under the SEBI (FPI) Regulations, 2014 may be grandfathered. Further, similar exception may be provided in respect of investment in Category-I FPI under the SEBI (FPI) Regulations, 2019.

Amendment in section 9 of the Income-tax Act, in sub-section *(1)*,in clause *(vi)*,

In Explanation 2, in clause (v), the words ", but not including consideration for the sale, distribution or exhibition of cinematographic films" shall be omitted with effect from the 1st day of April, 2021.

Brief Impact:

- Clause (vi) of sub-section (1) of section 9 deems certain income by way of royalty to accrue or arise in India. Explanation 2 of said clause defines the term "royalty" to, inter alia, mean the transfer of all or any rights (including the granting of a licence) in respect of any copyright, literary, artistic or scientific work including films or video tapes for use in connection with television or tapes for use in connection with radio broadcasting, but not including consideration for the sale, distribution or exhibition of cinematographic films.

Contd....

Brief Impact:

- Due to exclusion of consideration for the sale, distribution or exhibition of cinematographic films from the definition of royalty, such royalty is not taxable in India even if the DTAA gives India the right to tax such royalty. Such a situation is discriminatory against Indian residents, since India is foregoing its right to tax royalty in case of a non-resident from another country without that other country offering similar concession to Indian resident. **Hence, it is proposed to amend the definition of royalty so as not to exclude consideration for the sale, distribution or exhibition of cinematographic films from its meaning.**

3. Removing dividend distribution tax (DDT) and moving to classical system of taxing dividend in the hands of shareholders/unit holders. [Clauses 7,30,40,47,48,49,50,54, 55,59,60,62,74,80,81,85,86,87 & 88]

- The incidence of tax in respect of dividend, is on the payer i.e. company/Mutual Fund as per section 115-O and 115-R of the Act and not on the recipient. Such dividend is exempt in the hands of recipient as per section 10(34) and 10(35) of the Act.

- The present system of taxation of dividend in the hands of company/ mutual funds was reintroduced by the Finance Act, 2003 (with effect from the assessment year 2004-05) since it was easier to collect tax at a single point and the new system was leading to increase in compliance burden. However, with the advent of technology and easy tracking system available, the justification for current system of taxation of dividend has outlived itself.

4. Rationalization of provisions of section 55 of the Act to compute cost of acquisition[Clauses 28]

In section 55 of the Income-tax Act, in sub-section *(2)*, in clause *(b)*, after sub-clause *(ii)*, the following shall be inserted w.e.f. 01.04.2021, namely:—

'Provided that in case of a capital asset referred to in sub-clauses (i) and (ii), being land or building or both, the fair market value of such asset on the 1st day of April, 2001 for the purposes of the said sub-clauses shall not exceed the stamp duty value, wherever available, of such asset as on the 1st day of April, 2001.

Explanation.—For the purposes of this proviso, "stamp duty value" means the value adopted or assessed or assessable by any authority of the Central Government or a State Government for the purpose of payment of stamp duty

Brief Impact:

The existing provisions of section 55 of the Act provide that for computation of capital gains, an assessee shall be allowed deduction for cost of acquisition of the asset and also cost of improvement, if any. However, for computing capital gains in respect of an asset acquired before 01-04-2001, the assessee has been allowed an option of either to take the fair market value of the asset as on 01.04.2001 or the actual cost of the asset as cost of acquisition.

Brief Impact:

- Section 203AA of the Act, *inter-alia*, requires the prescribed income-tax authority or the person authorised by such authority referred to in section 200(3), to prepare and deliver a statement in Form 26AS to every person from whose income, the tax has been deducted or in respect of whose income the tax has been paid specifying the amount of tax deducted or paid.
- **The Form 26AS as prescribed in the Rules, *inter-alia,* contains the information about tax collected or deducted at source.** However, with the advancement in technology and enhancement in the capacity of system, multiple information in respect of a person such as sale/purchase of immovable property, share transactions etc. are being captured or proposed to be captured. - As the mandate of Form 26AS would be required to be extended beyond the information about tax deducted, it is proposed to introduce a new section 285BB in the Act regarding annual financial statement. **This section proposes to mandate the prescribed income-tax authority or the person authorised by such authority to upload in the registered account of the assessee a statement in such form and manner and setting forth such information, which is in the possession of an income-tax authority, and within such time, as may be prescribed.**

- Consequently, section 203AA is proposed to be deleted.

These amendments will take effect from 1st June, 2020.

9. Rationalisation of the provisions of section 49 and clause (42A) of section 2 of the Act in respect of segregated portfolios. [Clause 3 & 25]

- **Amended section 2(42A) & 49 of the Income-tax Act, w.e.f. 01/04/2020 [Clause 3 & 25]**

Reason of Amendment

- SEBI on 28/12/2018, permitted creation of segregated portfolio of debt and money market instruments by Mutual Fund schemes. As per the SEBI circular, all the existing unit holders in the affected scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio. On segregation, the unit holders come to hold same number of units in two schemes –the main scheme and segregated scheme. So the question arise after SEBI circular that
  - Whether unit of segregated scheme shall be treated as short-term capital asset or not as per definition provided in clause (42A) of section 2?

Brief Impact:

Therefore, clause (42A) section (2) has amended to provide that in the case of a capital asset, being a unit or units in a segregated portfolio, referred to in sub-section (2AG) of section 49, **there shall be included the period for which the original unit or units in the main portfolio were held by the assessee.**

Section 49 has also amended by inserting the new sub section (2AG) to provide that the cost of acquisition of a unit or units in the segregated portfolio shall be the amount which bears to the cost of acquisition of a unit or units held by the assessee in the total portfolio, the same proportion as the net asset value of the asset transferred to the segregated portfolio.

It is also proposed to insert the another sub-section (2AH) in the said section to provide that the cost of the acquisition of the original units held by the unit holder in the main portfolio shall be deemed to have been reduced by the amount as so arrived at under the proposed sub-section (2AG).

The Explanation below these two new sub-sections, as proposed to be inserted, provide that for the purposes of sub-sections (2AG) and (2AH), the expressions "main portfolio", "segregated portfolio" and "total portfolio" shall have the meaning respectively assigned to them in the said circular dated 28th December, 2018 issued by SEBI.

10. Amendment in the provisions of Act relating to verification of the return of income and appearance of authorized representative. [Clause 67 & 102]

- **Amended section 140 & 288 of the Income-tax Act, w.e.f. 01/04/2020 [Clause 67& 102]**

Reason of Amendment

- As per the provision of section 140 of the Act, in case of company the return is required to be verify by MD. Where the MD is not able to verify or there is no MD, any director of that company can verify the return. Similarly in case of LLP the return has to be verified by the designated partner of the LLP or by any partner, in case there is no such designated partner
- Similarly, section 288 of the Act provides for the persons entitled to appear before any Income-tax Authority or the Appellate Tribunal, on behalf of an assessee as its "authorised representative", in connection with any proceedings under the Act.

Contd....

However, if an application of application for insolvency resolution process has been admitted by the Adjudicating Authority (AA) under the Insolvency and Bankruptcy Code, 2016 (IBC), then all the power of BOD or Partner is exercised by Insolvency Professional or the Administrator. In such cases Insolvency Professional is not empowered by the Act to verify the return and to appear before authority as its "Authorized Representative".

Brief Impact:

Therefore, clause (c) and (cd) of section 140 and sub section (2) of section 288 of the Act has amended so as to enable any other person, as may be prescribed by the Board to verify the return of income and to appear as an authorised representative in the cases of a company and LLP.
