In explanation I and II , for the words “sub rule” , the word “rule” have been substituted w.e.f. 01.03.2015.*

*As consequences of above amendment , Rule 4(7) shall be read as under:*

*CENVAT credit In respect of input service shall be allowed , on or after the day on which invoice, bill, or as the case may be, challan referred to in rule 9 is received.*

*Provided that in respect of input service where whole or part of service tax is liable to be paid by the receiver of service, credit of service tax shall be allowed only after the payment of service tax.*

*Provided also that the manufacturer or service provider shall not take credit CENVAT credit after **one year** of the of issue of the documents specified in Rule 9(1).*

***Explanation –I***

*The amount mentioned in this rule , unless specified otherwise, shall be paid by the manufacturer of goods or the provider of output service by debiting the CENVAT credit or otherwise on or before the fifth of the following month except for the month of March, when such payment shall be made on or before 31<sup>st</sup> March.*

*“month of March” occurring in sub rule- 7 shall be read as “following quarter” or “quarter ending with the month of March”*

**A perusal of above mentioned proviso alongwith fourth and fifth proviso reveals as under:**

**(A) In case of Full and partial reverse** With effect from 01.04.2015 according to substituted second proviso to Rule 4(7) of CCR, 2004 CENVAT Credit, in case of an input service where service tax is required to be paid under full or partial/joint reverse charge basis by the recipient of the service, cenvat in respect of such service shall be allowed only after date of payment of service tax thereon.

Example : Advocate - A raised bill of Rs. 10000 to B & Co. on 1.10.2014 . B & Co. deposited service tax of Rs. 1236 under reverse charge on 15.10.2014. B & Co. can claim CENVAT of Rs. 1236 immediately without making the payment of input services of Rs. 10000 to A

Example: A has supplied Security services to B Private Ltd. of the value of Rs. 10000 where under reverse charge B Private Ltd. has to pay 75% of the service tax amount which is Rs.927 . Service provider A has to pay Rs. 309 being 25% of the ST amount. In this case B Private Ltd. can claim the CENVAT only after payment of Rs. 927 which is payment of service tax only.

**(B) Consequences of not making payment within three months of the date of the invoice- where service provider is liable to discharge service tax liability**

In this case there is no change in the legal position before or after 11.07.2014. Newly inserted third proviso to Rule 4(7) provides that if the value of input service as well as service tax thereon is not paid within a period of three months from the date of the invoice, the manufacturer or the service provider who has taken credit on such input service on accrual basis has to make payment of an amount equal to the CENVAT Credit availed on accrual basis. It is further clarified that said payment may be made by cash or through debiting Cenvat credit. This amendment is consequential to accommodate changes which will take place after substituting first provision with two newly inserted provisions as explained hereinabove.

**(C) Effect of Refund or Receipt of Credit Note on CENVAT Credit- fourth proviso to Rule 4(7)**

According to fourth proviso [third proviso for the period 01.04.2011 to 10.07.2014] to Rule 4(7) with effect from 11.07.2014 if any payment or part thereof made towards an input service is refunded or a credit note is received by the service provider after availing the CENVAT Credit on such input service, then he shall be required to pay an amount equal to the CENVAT Credit availed in respect of the amount so refunded or credited. Thus, in case of refund or Receipt of Credit Note, the proportionate amount of CENVAT Credit is to be reversed by the service recipient.

**(D) One Year time bar for availment of Cenvat Credit on input services- sixth proviso to Rule 4(7) amended from 01.03.2015**

Provided also that the manufacturer or the provider of output service shall not take CENVAT credit after one year of the date of issue of any of the documents specified in sub-rule (1) of rule 9.”

A careful perusal of above proviso reveals that Cenvat credit of service tax in respect of input service shall not be allowed after the stipulated period of one year of the date of issue of duty paying document specified under Rule 9(1). Thus, assessee has to avail Cenvat credit within one year of the date of issue of duty paying document specified under Rule 9(1). For instance, XYZ Ltd. receives input service invoice amounting Rs. 1,00,000/- where service tax is of Rs. 12,360/- dated 05.03.2015 . In the instant case, Cenvat credit of service tax of Rs 12,360/- can be availed on or before 04.03.2016.

**Departmental Clarification-D.O.F. No. 334/15/2014-TRU dated 10.07.2014**

**Point of Taxation Rules: [Notification No.13/2014-ST]**

The first Proviso to rule 7 of the Point of Taxation Rules (POTR) is being amended to provide that point of taxation in respect of reverse charge will be the payment date or the first day that occurs immediately after a period of three months from the date of invoice, whichever is earlier. This amendment will apply only to invoices issued after 1<sup>st</sup> October, 2014. A transition rule is being prescribed (new rule 10 of POTR).

**Transitional Rule 10 – [Inserted with effect from 01.10.2014 vide Notification No. 13/2014- Service Tax dated 11.07.2014]**

Consequent upon substitution of first proviso to Rule 7 with effect from 01.10.2014, transitional Rule 10 has been inserted in Point of Taxation Rules, 2011 with effect from 01.10.2014. The aforesaid Rule 10 is reproduced below:

“10. Notwithstanding anything contained in the first proviso to rule 7, if the invoice in respect of a service, for which point of taxation is determinable under rule 7 has been issued before the 1<sup>st</sup> day of October, 2014 but payment has not been made as on the said day, the point of taxation shall,-

- (a) If payment is made within a period of six months of the date of invoice, be the date on which payment is made;
- (b) If payment is not made within a period of six months of the date of invoice, be determined as if rule 7 and this rule do not exist.”

To say it differently if the invoice is issued prior to 01.10.2014, point of taxation shall be determined as per old rule 7 i.e. date of payment and if the payment is not made within six months from the date of invoice as if this rule does not exist i.e. rule 3 which is a general rule.
